Mainstream Publishing. Paperback. Book Condition: new. BRAND NEW, The Soul Stylists: Six Decades of Modernism - from Mods to Casuals, Paul Weller, Paolo Hewitt, The Soul Stylists is about six decades of Modernism and a highly influential world of clothes and music, but one deliberately hidden away for years from the mainstream media. This book explores the enduring relationship that exists between American black music and British working-class style, tracing a Mod tradition that began in Soho just after the Second World War and continues to this day. From Mod to Casual, from Skinhead to Northern Souler, the soul stylists are an amazing family joined together by a tradition of secrecy, exclusivity and absolute indifference towards the outside world. They pass unnoticed because soul stylists always shun the spotlight. To them, attention to detail is far more important than attention seeking. And here in this book, for the very first time, are some of their stories.
