YOUNG CHILDREN WITH ADHD: EARLY IDENTIFICATION AND INTERVENTION

American Psychological Association. Hardback Book Condition: new. BRAND NEW, Young Children with ADHD: Early Identification and Intervention, George J. DuPaul, Lee Kern, The symptoms of attention-deficit/hyperactivity disorder (ADHD) often begin early in life. In fact, many young children enter school with behavioral and cognitive symptoms that put them at a significant disadvantage compared with their typically-developing peers. Over the past several decades, researchers, psychologists and educators have devoted much time and effort to understanding and treating ADHD. Yet only recently...

Reviews

This book may be worth buying. I have read and i am confident that i am going to planning to go through once more once again in the future. Its been written in an exceptionally easy way and it is simply soon after i finished reading this publication in which actually altered me, modify the way i believe.
