Nazca Plains Corporation, The. Paperback. Book Condition: New. Paperback. 164 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. This is the work of a genuine dominant male and the reader comes away feeling strongly about both the writer's prose and his ideology. One male reviewer called it a misogynistic hatefest, but a female twenty-something loved its arrogance and bluntness. She went on to write that it pleased her to read someone who is prepared to stand by the old-fashioned ideology that men are the dominant gender. It's an unfashionable notion but it worked for many hundreds of years. I am far from stupid but I appreciate that men are really in charge; so it is also nice to know I am not alone in that belief. The controversy has been created not just by the author's take-no-prisoners writing style, but by the fact that this is not a work of fiction. The names have been changed and many identifying details have been altered, but this is a memoir and all the people within it are real. If you want to read the genuine account of a man who has spent a lifetime stripping naughty females of their dignity, knickers and ability to sit down in comfort for a few days, then this is the book for you. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
