Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Dylan Schaden)

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. In his fifth novel, Rudolph Wurlitzer has written a classic tale of the Western frontier and created one of his most memorable characters in Zebulon, a mountain man whose view of life has been challenged by a curse from a mysterious Native American woman whose lover he inadvertently murdered. The Drop Edge of Yonder begins in the mountains of Colorado and ends in the far reaches of the Northwest, a journey that includes the beginnings of a Mexican revolution, a voyage across the Gulf of Mexico to Panama, and up the coast of California to San Francisco and the gold fields. Along the trail, Zebulon becomes involved in a series of tragic love triangles, witnesses the death of his mother and father, and confronts the age-old questions of life, love, and death.
