### **Reviews**

*It is just one of my personal favorite books. I was able to comprehend every little thing out of this published e-publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*  
*(Isaac Olson)*

## BEEKEEPING (HARDBACK)

Weldon Owen, Australia, 2016. Hardback. Condition: New. Not for Online ed.. Language: English . Brand New Book. This multifaceted book offers insight into everything bee-related: pollination, gardening, beekeeping and recipes. Whether you re a first-time beekeeper or looking to improve and expand your backyard beekeeping, this book is a must-have. Beekeeping might seem exotic or old-fashioned, but around the world it is becoming more and more common to find a hive or two in urban spaces and suburban backyards. Some modern beekeepers are inspired by the desire to help out the frequently beleaguered creatures, others simply enjoy fresh honey from the most local of sources--the backyard garden. This book discusses your options for setting up a hive almost anywhere, how to plant a bee-friendly garden, and how to harvest and use your very own honey. Not only is it a great hobby, you ll also be rewarded with a plentiful supply of honey that you can use in tea as well as for cooking, baking and perhaps even lip salve and skin cream. Everything the modern day beekeeper needs and more Becoming a Beekeeper Setting Up Your Hive Getting the Right Gear Planting a Bee-Friendly Garden Trouble-Shoot Your Hive Harvest the Honey Plan for the Winter The honeybee is one of our greatest natural resources; bees work hard to pollinate our gardens and do an important job that we couldn t do without. But bees are finding it increasingly difficult in the world that they share with us. States are reporting a hive of activity in the backyards of rural and urban beekeepers. In fact, many states are beginning to alter preexisting ordinances in order to encourage more individuals to start beekeeping. No other hobby can simultaneously help save the world and bring sweet treats to your table!.
