Ageing in Society (Hardback)

By -

SAGE Publications Inc, United States, 2007. Hardback. Condition: New. 3rd Revised edition. Language: English . Brand New Book. `Ageing in Society brings forth exciting new questions, fresh perspectives, and a necessary critical approach to key issues - this is indeed an authoritative introduction. The authors not only have made significant contributions to gerontology, but offer the reader considerations for what could be, not just what is, the design of old age in society. The book will inform students in ways that so many texts in the area, satisfied with comfortable bromides, do not - Jaber Gubrium, Editor of Journal of Aging Studies, University of Missouri-Columbia ` This completely revised Third Edition of Ageing in Society presents one of the most comprehensive pictures of ageing today. Emphasising the dual processes of ageing societies and the experience of ageing, the book offers the reader - student or researcher alike - cogent discussions of the most up to date perspectives and evidence available. The contributors are all leading experts in their fields - comprising a range of important disciplines as they apply to ageing. Ageing in Society is a cutting edge text on one of the most important subjects facing the modern world -...

Reviews

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
