Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.History is not dead, it lives on the Geiger farm. The Model T that Alfred Geigers father bought new in 1919 waits in the barn for the fall cane grinding when the fifth generation of Geigers will ride in it. The 2,000-egg kerosene incubator, hand-cranked dough mixer, and 90-year old cypress boats fill the sheep shed and chicken houses. More than a biography, The Path to Now is a history book dating back to the Mayflower, centered around the lives of Als family, with stories told as he heard them around the dinner table. It includes personal memories of Alfred Geigers 85 years, from his relief work in Poland after World War II to farming the family land. Al tells even the stories of events before his memory as if he were an eyewitness. His father conducted the 1910 census on his bicycle. Uncle Francis donated land worth a million dollars to the Boy Scouts, yet never owned a home or car. Quakers and missionaries share his family tree with Civil War surgeons and conscientious objectors, while physicists and schizophrenics add flavor to the adventures.
