

## How to Score: Science and the Beautiful Game

By Ken Bray

GRANTA BOOKS, United Kingdom, 2008. Paperback. Book Condition: New. Reprint. 196 x 124 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. How to Score reveals the secret science that lies behind the beautiful game . From international team formations to the psychology of the pitch and the changing room, Ken Bray describes the influences that impact upon play. He answers many of football s hottest questions: What is the perfect way to take a free kick? Which players are under more stress; attackers, midfield, or defenders? How do we know when a ball has crossed the goal-line? And how can teams win a penalty shoot out? How to Score analyses many of the most memorable games over the last 50 years and the tactics of our favourite international and local footballers, as well as touching on big scientific themes such as aerodynamics, computer simulation and game analysis, via a brief journey into football s history. Drawing on the latest research from the fields of physics, biology, physiology, computing and psychology, football s hidden rules are illuminated like never before. From down the pub to up on the terraces, we love to talk about football - How...
