Brand New Book ***** Print on Demand *****.Introduction: If, in 2003, you chose to Google the words married and dating, your first hit was pretty much guaranteed to be a rather exclusive dating site. In 2012, that same site is possibly the worst kept secret on the net. In these chapters I present a selection of naughty stories inspired by and written for friends and lovers. Enjoy! Contents: The First Date Written in response to the inevitable question So, what turns you on? I m not sure this is the answer anyone expected but no one ever complained. Written and sent in instalments. Does that make me a tease?! Work. Sort Of I always figured this was a better answer than actually telling anyone what I do for a living and another chance to explore my submissive side. Mystery Hotel Written to demonstrate the importance of switching roles once in a while. Generally well received but what do you think; control or submit? Canal Path I have discovered that possessing a desire to have sex in deep, open water puts me in the minority. Could be such fun. The Music Lesson Written for a friend of mine as a particular request. I like playing the schoolgirl; gives me an excuse to misbehave. Paris Another specific request. Written from my own experiences? Maybe yes, maybe no; I could not possibly comment. Adults Only!.
