LIFE AFTER LIFE: A STORY ABOUT REAL-LIFE TRANSFORMATIONS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.REVIEW All in all, this book is very down-to-earth, and yet quite profound, thought-provoking and captivating your mind. It is easy to read, but exciting, and you will not be able to put it down. You may even want to reread it again and again, as you will find something new every time around. Enjoy this read with a pinch of subtle humor and self-irony! QUOTE People acquire knowledge all their lives. Knowledge and wisdom are regarded as real treasures that shall be retained for future generations. Therefore, live and let live in harmony and love, wisely and considerately. FOREWORD AND DEDICATION This book is a guide to and through life or at least it could be, if you like. It is intended for all who love life and dare to live or aspire to a better existence! For some people the brain is only an organ of minor importance, as an ancient philosopher once said. Therefore, I would like to dedicate the following narrative or short story to all who acknowledge the importance of the human mind, together with its positive and beneficial demonstrations in people s actions, senses and emotions.
