Head of Zeus, United Kingdom, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Paragon of youthful beauty, romantic symbol of a lost England, and precociously gifted poet, Rupert Chawner Brooke died in a hospital ship off the Aegean island of Skyros in April 1915, aged just 27. All England mourned his passing. But behind the glow of myth lies a darker reality. At the height of his promise a disappointment in love triggered a mental and physical collapse that brought his inner complexities to the surface. Letters reveal a man who was sexually ambivalent, misogynistic, anti-Semitic - and sometimes alarmingly unstable. This revised edition of Nigel Jones s admired biography, including an account of a previously unknown affair of Brooke s, reveals a more conflicted and troubled individual than the gilded Adonis of English literary myth.
