AUTHORHOUSE, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Bob Hayes grew up in a small Alabama town, the son of a prominent high school coach. Although he had a few shining moments as a player, he never really became a starter. Instead, he found his niche in the preparation and application of player performance strategy. He was great at bringing out the best in his players. SIDELINE tells the story of Bob s unexpected early success and gives the reader a glimpse into the famed young football coach s unique talents. SIDELINE gets you out on the playing field and puts you right in the middle of the huddle. Along with these thrills, Bob s story is full of lessons about sports and life. The finer points of these lessons, Gary s Gems, are highlighted within the stories and listed for you at the end, making this a great book for coaches and students of any sport at all levels of participation. Guys, girls, men and women of all ages will enjoy this story. It s more than just a tale about football; it s also a story of one young man s journey and the surprising relationships that develop along the way. This is what makes SIDELINE championship material. Go ahead, read and discover for yourself! GaryLett.
