Reviews

This book is definitely not effortless to start on looking at but really exciting to see. It really is simplistic but surprises from the 50 % from the pdf. I am just effortlessly can get a delight of looking at a published book.

TEACHER CREATED MATERIALS, United States, 2007. Paperback. Book Condition: New. 325 x 229 mm. Language: English . Brand New Book. Robert Fulton is best known for inventing the steamboat, but he accomplished much more than that! Readers will learn about all the incredible things that Fulton invented and accomplished in this fascinating biography. The colorful images, intriguing facts, and easy-to-read text will have readers delighted and engaged as they learn how Fulton invented and used steam engines, canals, inclined planes, and submarines. The engaging sidebars will introduce readers to scientists and engineers who have used some of the same ideas as Fulton in the modern world. An index and glossary will give children the tools they need to better understand the content and vocabulary, while an interesting hands-on lab activity will encourage them to explore physical science even further!.
