REAL ESTATE EXAM PREP (PSI)- THIRD EDITION: THE AUTHORITATIVE GUIDE TO PREPARING FOR THE PSI GENERAL EXAM

[DOWNLOAD](#)

On-The-Test Pub. Paperback. Book Condition: New. Paperback. 128 pages. This is a license-test-outline-based review of testable real estate textbook subject matter. It covers principles and practice material that appears on the general portion of license exams used in multiple states. This Kindle edition complements the print version nicely by being a ready-made audio book on Kindle and many other eReaders. Further, almost any eReaders search option functions as a better-than-print index, since they typically pull together all appearances of any entry and thereby allow easy selection and comparison of whatever you were seeking. This prep material was designed primarily for prelicensing candidates who need to bring textbook material together in an exam-oriented way to ensure having a firm grasp of the knowledge base that will be in-bounds on the actual licensing exam. The writing is direct, concise, engaging and often humorous; its command of testable terms and topics is both authoritative and definitively comprehensive. It is an unsurpassed summary of core real estate terms and concepts along with synonymous terms and many more advanced or obscure ones, especially since it makes clear what is testable and what is too advanced, yet may appear on the test as wrong answers. It is the only book on the market for PSI written by a test development specialist and former insider for a PSI competitor in charge of that company's real estate test development for more than twenty states, including current PSI client states Colorado, Hawaii, Kentucky, Minnesota, New Jersey, Pennsylvania, South Carolina, and Tennessee. So where other authors guess, this one knows from years of hands-on preparation of actual real estate licensing exams nationwide! It includes a full-length, 80-question sample test written to match PSI's exam specifications. The answer key is prepared for text-to-speech easy read-back and is followed by simple instructions on...
