John Wiley Sons Inc, United States, 2015. Paperback. Book Condition: New. 215 x 141 mm. Language: English . Brand New Book. My kid can mod Minecraft? Oh my! Theres no doubt about it: Minecraft has taken the world by storm. If your resident Minecraft fanatic is ready to take their experience to a new level of play, introduce them to modding! Modding allows Minecraft players to modify the game through codegiving them the ability to add a variety of gameplay changes, ranging from new blocks and items to new mechanisms to craft. Its pretty much a Minecraft enthusiasts dream brought to life! InModding Minecraft, your child will be introduced to three fun and easy-to-complete projects that teach them the coding skills to make the most of their love of Minecraft. Walking young readers through projects that outline how to create games in Minecraft for single or multiple players, this friendly and accessible guide takes the intimidation out of coding and instills confidence in children as young as seven as they complete cool coding projects to mod their favorite game. Full-color, eye-popping graphics and a short page count hold their attention while the goal-based format keeps them focused on the task at hand. Before you know it, your kid will be writing their own mods and having even more fun with Minecraft. Kids can complete the projects on their own or alongside an adult Introduces getting started with a single-player, single-level game Moves readers on to multi-level game playing Finishes with a multi-level, multi-player game based on the classic "capture the flag" gameWith simple and clear instruction that your child can understand, Modding Minecraft is the perfect place for your kid to dig deep and open up a whole new world in their creative play.
