Schiffer Publishing Ltd, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. Dont be fooled by the small size of the H-6/Model 500 helicopter. In the scout role in Vietnam, OH-6As and their aircrew became legends for their high-risk work in the low-level environment. Wayne Mutza presents the small, dynamic helicopters story in this well-written, superbly detailed, and lavishly illustrated volume. Much of the OH-6As combat record in Vietnam is told in firsthand accounts. Mutza offers fascinating insight to the helicopters controversial beginning, its development, and its service with the Army National Guard, the Armys flight demonstration team, worldwide operators, and law enforcement agencies. In addition, the reader is treated to an entire chapter devoted to the Little Birds of Special Operations. Also included are appendices with factual data, and more than sixty emblems. Its all here in this highly readable volume.
