

The Novel - Maker s Handbook: The No - Nonsense Guide to Crafting a Marketable Story (Paperback)

Filesize: 1.97 MB

Reviews

It is one of my favorite books. Sure, it is actually engaging, nonetheless an interesting and amazing literature. I am happy to let you know that this is basically the finest book I have got to study inside my very own existence and might be the finest publication for ever.
(Randal Reinger)

Station Square Media, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Are you struggling to turn your great idea into an even better novel? Learn how to craft a compelling story right from the start. Is your dream of writing a novel sitting in a desk drawer or in a forgotten folder of your computer? Have you spent countless hours on endless draft revisions without making much progress? Have you given up hope of writing a manuscript you can truly be proud of? Today s the day to take charge of your writing career. Let veteran book editor Diane O Connell show you how. Drawing on her years of experience working with novelists for a major publishing house, O Connell s guide is a must-read if you want to improve your storytelling. While most books on writing are written by authors, the award-winning The Novel-Maker s Handbook is different. Experienced editors know that successful books aren t just about technique. You need to create a compelling story arc and pitch it in a way that gets noticed. O Connell s gem is the only book that provides first-time novelists with a proven system for writing a book in less time while improving all facets of your storytelling. In The Novel-Maker s Handbook, you ll discover: - How to write your novel with ease to get your book right the first time - How to fully understand the techniques needed to polish your novel into a must-read - How to draw from the tactics of bestselling authors to write your own page-turners - How to identify your weak spots and exactly what to do to fix them - How to build life-long skills as a writer, and much, much more! Whether you want to prepare...
