Pk-1 Skills Workbook (Paperback)

By R Smith

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Workbook. Language: English . Brand New Book ***** Print on Demand *****.Regina Smith has been writing children educational books for 10 years. She is a registered nurse with a minor in Psychology. She is an Advocate for Teach the Children, advocating Home Schooling using Jean Piaget module of early childhood education and the Critical Thinking Process. Jean Piaget (1896-1980), was a Swiss clinical psychologist recognized for his extensive work in early childhood development. Piaget argued that positions of knowledge are grown into and that children actively approach their environment and acquire knowledge through learning. He believed that knowledge and behavior were the results of one another and that we learn by environmental stimulus and experiences that result in adaptability, change, and accommodation (Cognitive Thinking). Thinking about thinking is how we think and what we think about as children while learning. Piaget believed that the process of thinking (Cognitive Thinking), and the intellectual development could be regarded as an extension of the behavioral process of adaptation. Meaning what we learn from our environment is a direct manifestation of our behaviors later. This workbook has been designed to give your child the basic foundation...
