Tate Publishing. Paperback / softback. Book Condition: new. BRAND NEW, Alphadoodler: The Activity Book That Brings Letters to Life, Jan Bajtklik, Watch letters of the alphabet come to life in this hugely imaginative scribble book by Polish graphic designer Jan Bajtklik. "Alphadoodler" invites children to play with typography, using well-known letterforms to create creepy-crawlies, impossible skyscrapers, a crocodile's toothy grin, and even ghost letters with toothpaste. Packed full of activities for children to draw, scribble, cut, color, glue, paint, and design, "Alphadoodler" sees letters camouflaged in a messy bedroom, skiing down a mountain, growing leaves, and leaving the reader pondering: Is an O an octopus without tentacles, or an elephant without a trunk? In this entertaining and electrifying book, letters bend, break, hide, and slide to become something truly larger than life."
