CONSERVATISM AND LIBERALISM IN THE CHRISTIAN FAITH (PAPERBACK)

Nurturing Faith Inc., United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In *Conservatism and Liberalism in the Christian Faith: Toward a Moderate Approach*, William E. Hull—scholar, educator, pastor, preacher, mentor—provides strategies for understanding and responding to what seem incessant fractures within the Christian church, ideologically represented in our time by the labels conservative and liberal. Hull knew those labels well, not only from his academic research, but also in his own person, particularly in his long association with the Southern Baptist Convention (SBC). Indeed, Hull uses America's largest Protestant denomination (ca. 14 million and declining) as something of a case study for illustrating the larger dynamics of his analysis.
