Reviews

These sorts of pdf is the greatest pdf available. It really is written in simple words and never difficult to understand. I am just very easily could get a delight of studying a written ebook.

(Mr. Allen Cassin)

WASHINGTON, NORTH CAROLINA (PAPERBACK)

[DOWNLOAD](#)

Arcadia Publishing (SC), United States, 2000. Paperback. Condition: New. Language: English . Brand New Book. Located in the heart of Eastern North Carolina, Washington is a city marked by its rich industrial heritage and the surrounding beauty of the Pamlico River and the fertile farmlands of Beaufort County. Washington, the county seat and original namesake of President Washington, grew during the 1800s to become one of the prominent shipping ports for lumber and a variety of agricultural produce. With the arrival of the railroads and the following economic hard times of Depression-era America, Washington's character changed dramatically, forcing many of the local mills and businesses to close. However, today, the city is experiencing a remarkable resurgence of business and opportunity and has again become a significant contributor in the economy of the state. Washington, North Carolina, consisting of over 200 stunning black-and-white photographs and postcards, allows readers a unique opportunity to explore their hometown as never before. As if stepping back in time, readers will experience the Washington of yesteryear, when the masts of commercial ships, like slender church steeples, dominated the waterfront, when the piercing whistles of trains entering and leaving the many lumber mills punctuated the city's daily activities, and when the sounds of horse-drawn wagons and early automobiles echoed throughout Main and Market Streets. This book also captures scenes of daily life: farmers laboring in the field and also meeting at Brooks Store to swap stories, gossip, and advice; people gathered on Main Street enjoying colorful parades; and children swimming at Whichard's Beach Campground and Marina in nearby Chocowinity.
