Reviews

This pdf is very gripping and fascinating. We have read and that i am certain that i am going to going to read once more again in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Burnice Cronin)

HEART OF IRON (PAPERBACK)

Sourcebooks, Inc, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. `Definitely blends elements of Steampunk and vampire romance with brilliantly successful results. darkly atmospheric and delectably sexy.` --Booklist Starred Review for Kiss of Steel In the mist-shrouded streets of London's dreaded Whitechapel district, werewolves, vampires, and a clockwork army are one step away from battle. No One to Trust Dangerous. Unpredictable. That's how people know the hulking Will Carver. And those who don't like pretty words just call him The Beat. No matter how hard Will works to suppress his werewulfen side, certain things drive him beyond all control. And saucy Miss Lena Todd tops the list. Lena makes the perfect spy against the ruling Echelon blue bloods. No one suspects that under the appearance of flirtatious debutante lies a heart of iron. Not even the ruthless Will Carver, the one man she can't wrap around her finger and the one man whose kiss she can never forget. He's supposed to be protecting her, but he might just be her biggest threat yet.
