Entangled Publishing, LLC, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Starting over sucks. When we moved to West Virginia right before my senior year, I d pretty much resigned myself to thick accents, dodgy internet access, and a whole lot of boring.until I spotted my hot neighbor, with his looming height and eerie green eyes. Things were looking up. And then he opened his mouth. Daemon is infuriating. Arrogant. Stab-worthy. We do not get along. At all. But when a stranger attacks me and Daemon literally freezes time with a wave of his hand, well, something.unexpected happens. The hot alien living next door marks me. You heard me. Alien. Turns out Daemon and his sister have a galaxy of enemies wanting to steal their abilities, and Daemon s touch has me lit up like the Vegas Strip. The only way I m getting out of this alive is by sticking close to Daemon until my alien mojo fades. If I don t kill him first, that is.
