Robin Williams introduced design and typographic principles to legions of readers with her best-selling Non-Designer's book series. Now she and designer/co-author John Tollett take you to the next level of creative design with practical advice and lessons in composition, visual impact, and design challenges. Presented in Robin and John's signature style - writing that is so crystal clear, it's accessible to absolutely anyone - and illustrated with hundreds of full-color design examples, the ideas in this book tackle design theory, visual puns, and layout and graphics strategies for real-world projects. Developing designers will appreciate the authors' imaginative approach and well-chosen examples. 278 pp. Englisch.
