Date :2010-1-1. Writing is the students learning the language is an important aspect. but also they generally find it difficult to master a course project. Some students reflected: I have read many books. written quite a few. can improve Debu clear why the level of writing it The issue is: First reading to seize the key. there is no choice. good and bad. regardless of aimlessly seize to read whatever; second reading read more casual. cursory style to read. some students read the book a lot. and sometimes also read a book more than once. the key is to read Debu seriously. reading without thinking and experience. After all. this part of the students still did not read into it. not read. making it difficult to comprehend the composition of the essentials. Practice has proved that. read the help for writing in general is edification. invasion. subtle. Reading is the basis for writing. A level of writing. with his knowledge. the amount of information. ability to understand things. the ability to analyze problems. language master. writing skill and so closely related. Access to these capabilities and improve. mostly depends on a wide range. massive reading. Therefore. we vigorously promote reading. Reading a wide scope. you can read history books. nature books you can read. can read technical books. of course. to read literary classics. But there is a category of books. the students often do not cause enough attention. that is. peer writing. In fact. peer writing. literary classics. as people are not unattainable. distant. in a sense. the composition of its students training more helpful. As we sit in the...
