Reviews

*It becomes an amazing ebook that we have possibly read through. It is really simplified but surprises within the 50 % from the ebook. You can expect to like how the blogger compose this book.

HELLBENT

Random House USA Inc, United States, 2011. Paperback. Book Condition: New. 208 x 140 mm. Language: English . Brand New Book. BAD TO THE BONE Vampire thief Raylene Pendle doesn't need more complications in her life. Her Seattle home is already overrun by a band of misfits, including Ian Stott, a blind vampire, and Adrian deJesus, an ex-Navy SEAL/drag queen. But Raylene still can't resist an old pal's request: seek out and steal a bizarre set of artifacts. Also on the hunt is a brilliant but certifiably crazy sorceress determined to stomp anyone who gets in her way. But Raylene's biggest problem is that the death of Ian's vaunted patriarch appears to have made him the next target of some blood-sucking sociopaths. Now Raylene must snatch up the potent relics, solve a murder, and keep Ian safe--all while fending off a psychotic sorceress. But at least she won't be alone. A girl could do a lot worse for a partner than an ass-kicking drag queen--right?.
