Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.Abstract art is an explosive visual language -- a chaos of hue, a thought provoking burst of texture and form, a silent accidental arrangement. Dramatic works of art showcasing unrestrained oil paintings, construction off mental sketches. Abstract artists are unencumbered from the world around them and limited merely by their own genuine imagination. Through unadulterated instinct, composition and a tapestry of inspired color, they translate unbinding emotions of thoughts, ideas, philosophies and personal experiences into immersive images you want to repeatedly explore time and time again. For me generating abstract art is the liberation of my raw thoughts and immortal soul. A feast for my ravenous eyes to indulge and be satiated, to quench my ravaging thirst for dynamic tactile beauty. My compositions are created through spiritual thoughts of inspiration and natural phenomenon. Utilizing the simplest of tools and non-pedestrian color palettes. Rogue to the frivolous and mundane each work is incredibly expressive with explosive action and movement. Celebrating the conception of our universe, the natural surrounds and its exotic creatures. Abstract art frees us all from the complexities of this contemporary world and permits our minds to roam unrestricted. -- Gary Drury.
