

## Roan: The Tales of Conor Archer

By E R Barr

Eric Barr, United States, 2012. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book. Long ago, the Tinkers exiled themselves, sailing from the west of Ireland, their women weeping in despair over the men folk who had consorted on the sand with the shape-shifting Roan, non-human beings from Celtic myth. The sea-wives had returned in the shape of seals bearing pups that transformed to human children as soon as they touched the sand. Dark ones , the Tinkers called these offspring and claimed them as their own. Traveling to the New World, they found the spot where two rivers flowed together-a thin place, where myths from many cultures converged and legends came to life. There, for a century and a half, the dark ones stayed hidden and the town kept their secrets. That s how Conor Archer heard it in the days after he arrived at Tinker s Grove, Wisconsin. Three days earlier, the night his mother died, the seventeen year old was playing in a pickup band at a downtown Chicago Irish bar. A strange biker approached him, looked at Conor s webbed hands, pronounced him kin, and then took a chunk out of...

### Reviews

*This publication could be worth a read through, and far better than other. This is certainly for all those who statte there was not a worth reading through. You may like just how the author compose this publication.*

-- **Dr. Kayley Kovacek PhD**

*Great electronic book and valuable one. It really is simplistic but surprises within the fifty percent from the book. Its been printed in an extremely simple way in fact it is merely right after i finished reading this publication by which in fact modified me, change the way i really believe.*
