Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Sketch of Dr. John Smith Sage, of Sag-Harbor, N. Y He did not remember the time when he could not read nor write, but never forgot how, when five years old, he was sent to Dame Filer s school. Dame Filer took little children (principally) to relieve their busy mothers, to to her house which stood till recently near the south end cf the village. Dame Filer essayed to teach the rudi ments. Her methods, or rather ways of so doing, left a strong and long impression upon this pupil, which in old age, when recalled to mind, afforded amusement to himself and hearers. Suffice it. To say, the road to knowledge one hundred years ago was not enlivened as at the present day, by kindergartens or athletics. The Bible was often the text book from which was taught the alphabet, easy spell ing and first reading lessons. Indeed, bible, birch and bench were the essential furniture of a school room, and did not make it a cheerful place for little Puritans.
