Potatoes on Rooftops: Farming in the City

By Hadley Dyer

Annick Press Ltd, Canada, 2012. Paperback. Book Condition: New. 236 x 218 mm. Language: English . Brand New Book. From high school students to high-rise dwellers, people—including Michelle Obama—are discovering innovative ways to grow fresh, healthy, and delicious fruit and vegetables at home, in community gardens, and at school. This brisk, informative overview explains how farming in the city is not only fun, but also important for the planet. There are many ways to farm in the city: a Detroit high school program teaches students to grow food and raise chickens; in Tokyo, a bank vault was converted into an underground greenhouse; in Nairobi, local youth transformed part of a slum into a garden that helps feed their families. Read about modern inventions such as futuristic pod greenhouses, food-producing wall panels, and industrial-sized composters. Short, kid-friendly descriptions and vibrant photos and illustrations keep the pace moving and the tone light. Toronto Public Health and FoodShare, two respected agencies, both have contributed to the book. Potatoes on Rooftops is the perfect book to get you thinking about how you, too, can grow food in the city.

Reviews

It is an remarkable ebook which i have possibly read. It really is packed with wisdom and knowledge Its been printed in an extremely easy way which is only after i finished reading through this pdf by which really altered me, alter the way i believe.

-- **Dr. Nikolas Mayer**

A very wonderful pdf with perfect and lucid explanations. This can be for those who statte that there had not been a worth reading. Once you begin to read the book, it is extremely difficult to leave it before concluding.
