Stach Partners, Limited, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Now What? was written as a follow up to the book Who Is the End Time Church? Recognizing the Spirit Realm People who read the first book have reported how the Lord has made great changes in their lives, including how they are finding new perspectives or seeing their life and world completely different and finding a new, stable peace by knowing who they are based on being just like Daddy, they have all raised the question, Now What? In this book some issues will be revealed to avoid and paths to follow with your new frame of reference as the beginning. You should expect the Lord to actually lead, comfort, and guide you properly into all the affairs of your life. The real challenge now will be to unlearn your old, established ways and patterns which will lead back to where you were. When learning something new we all require repeated immersion in educational resources until we become a person who naturally and effortlessly will allow those sources to outflow from us. You must become a disciple. One who is open and willing to relearn and who will be faithful to the Teacher. He is called the Holy Spirit. These two books are designed to be the first steps in your renewed spirit life with Jesus. You will find Him faithful to you; just experience Him one step at a time.
