### **Reviews**

*Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You wont really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).

BRILLIANCE AUDIO, 2014. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The kind of epic narrative that will have you scrambling for more. --Stephen R. Donaldson The Seven Cities Rebellion has been crushed. Sha ik is dead. One last rebel force remains, holed up in the city of Y Ghatan and under the fanatical command of Leoman of the Flails. The prospect of laying siege to this ancient fortress makes the battle-weary Malazan Fourteenth Army uneasy. For it was here that the Empire s greatest champion, Dassem Ultor, was slain and a tide of Malazan blood spilled. A place of foreboding, its smell is of death. But elsewhere, agents of a far greater conflict have made their opening moves. The Crippled God has been granted a place in the pantheon; a schism threatens and sides must be chosen. Whatever each god decides, the ground rules have changed irrevocably, terrifyingly, and the first blood spilled will be in the mortal world. A world in which a host of characters, familiar and new, including Heboric Ghost Hands; the possessed Apsalar; Cutter, once a thief now a killer; the warrior Karsa Orlong; and the two ancient wanderers Icarium and Mappo, each searching for such a fate as they might fashion with their own hands, guided by their own will. If only the gods would leave them alone. But now that knives have been unsheathed, the gods are disinclined to be kind. There shall be war, war in the heavens. And the prize? Nothing less than existence itself . . . This novel and all others in the Malazan Book of the Fallen series follow my own pronunciations of Malazan words and names. My thanks to Michael and Jane and everyone at Brilliance Audio. --Steven Erikson, Victoria, B.C. Canada, January, 2014.
