With the Golden Globes approaching and her diva-like behaviour resulting in yet another assistant walking out, Mona needs help, and she needs it fast. Before she has time to say Rodeo Drive, Amber finds herself agreeing to get on a plane to LA as she is expected to work with the increasingly volatile stylist and dress some of Hollywood s hottest (and craziest) starlets. Awards season turns her life upside down as dazzling gowns, shoes and jewels are matched to a steady stream of celebrities who expect to be made red carpet ready. And as Amber starts to enjoy her new life rummaging through the ultimate dressing-up box, she finds herself in the limelight as she catches the attention of two very different suitors. How will she keep her head? Which man will she choose? And most importantly, what will everyone wear?.
