Reconnect with Judaism s most important contribution to humanity--and redeem our world. The gift of Judaism is an understanding of what it means to be a human being--what we can do, what we can hope for, how we can live with purpose, what is expected of us. It is a celebration of human freedom, human possibility and human responsibility. Judaism is a way to live a heroic life, to construct a life devoted to values that are eternal, values of ultimate significance. The reward of a Jewish life is walking the world with a profound faith that you matter, your life matters, your dreams matter. I call this chutzpah. --from the Introduction In this clarion call for a new way to do Judaism, award-winning spiritual leader Rabbi Edward Feinstein urges us to recover this message of Jewish self-empowerment--or chutzpah--to reshape our world. He walks us through the history of chutzpah--from the early chapters of Genesis, Jewish biblical law and the Rabbis of the Talmud to the mystics of medieval Spain and the European Hasidic tradition, Zionism and post-Holocaust thought. By showing us the ever-presence of chutzpah in Judaism he reveals the inner story of the Jewish People s soul as well as the meaning that Judaism s deepest purpose and most precious treasure has for us today.
