WHERE S MY F@#!G WEBSITE: A CLIENT S GUIDE TO WEB DESIGN DEVELOPMENT (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.If you ever plan on hiring a professional or company for any of the services listed below (or have already had such an experience), then this book is for you. Here is the list: - Application Design Development (IOS Android) - Graphic design - Illustration (Eg. digital artwork) - Website design - Website development - Search Engine Optimization (SEO) - Software development Now you may be asking why I am limiting the scope to these listed services? These are the areas I have personal experience in. There are many related and more specific services that could be added to this list. If I have not added them, that means I feel I am not qualified to discuss them here. If you see a service that has or will be something you will require in the future, then this book is for you. Please keep in mind that this book is not intended as a technical guide or other kind of manual that will teach you how to build a site. The purpose of this book is to help clients communicate their needs to a hired professional in the areas I listed above. Here are a few examples of who I want to address: - Have you hired someone to create a website, but they ripped you off? - Have you tried to get a logo designed, but it was a long way off from your expectations? - Have you had trouble getting adequate results from SEO services provided by an individual or company? - Did you commission an original digital artwork, but the artist failed to deliver what you were expecting? - Did you spend a great deal of money bringing your...
