This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).

Penguin Books Ltd, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. From Jess Walter, the bestselling author of *Beautiful Ruins*, comes *We Live in Water* - a darkly funny, utterly compelling collection of stories about the American family. *We Live in Water* brings to vivid life a world of lost fathers and redemptive con men, of personal struggles and diminished dreams, a world marked by the wry wit and generosity of spirit that has made Jess Walter one of America's most talked-about writers. In *Thief*, a blue-collar worker turns unlikely detective to find out which of his kids is stealing from the family vacation fund. In *We Live in Water*, a lawyer returns to a corrupt North Idaho town to find the father who disappeared thirty years earlier. In *Anything Helps*, a homeless man has to go to cardboard to raise enough money to buy his son the new Harry Potter book. In *Virgo*, a local newspaper editor tries to get back at his superstitious ex-girlfriend by screwing with her horoscope. The final story transforms slyly from a portrait of Walter's hometown into a moving contemplation of our times. A ridiculously talented writer. The New York Times One of my favourite young American writers Nick Hornby Darkly funny, sneakily sad, these stories are very, very good Publisher's Weekly A witty and sobering snapshot of recession-era America Kirkus.
