## QUALITATIVE INTERPRETATION AND ANALYSIS IN PSYCHOLOGY

[DOWNLOAD](#)

Open University Press Mai 2012, 2012. Taschenbuch. Book Condition: Neu. 239x170x15 mm. Neuware - 'This new book by Carla Willig closes a gap in qualitative research in psychology and beyond. It focuses on the process of understanding in qualitative data analysis by taking the perspective of interpretation: What links our understanding with social and psychological phenomena in qualitative research With its broad coverage of the literature and its clear style of writing it will be most helpful for anyone applying qualitative research to psychological phenomena.' Uwe Flick, Alice Salomon University, Berlin and Vienna Universities 'In this work Carla Willig takes on one of the most pressing challenges in qualitative inquiry: how are we to confront multiplicity in interpretation I began reading with great curiosity; I came away feeling that this is the best treatment of this complex subject I have yet encountered. Combining conceptual sophistication, the skill of clarity, and a welcome sense of balance, Willig illuminates and enriches. Her discussion on the ethics of interpretation sets the book apart. Now I clamor to join the discussions demanded by this fascinating work.' Kenneth Gergen, Senior Research Professor, Swarthmore College, USA 'Carla Willig's balanced and insightful text goes to the heart of what is stake in debates over qualitative analysis: the act of interpretation itself. Beginning with the idea that the researcher must recognise both the responsibility and privilege of research, Willig clearly demonstrates how interpretation is actually performed and how to negotiate the epistemological and practical issues that are involved. Opposing the tendency for the researcher to disappear in the act of 'doing analysis', this book offers a distinctively human and affective vision of interpretative work. There is much here for both dedicated qualitative researchers and curious empiricists of every stripe. Students of psychology, read on: you have nothing to...
