Alfred Publishing Co., Inc., United States, 2012. Mixed media product. Condition: New. Language: English . Brand New Book. Learning to play bass is not about studying---it s about playing---so it should be FUN! If you re looking to rock out, do you want to spend hours trying to figure out how to read music, and then plunk away at The Old Gray Mare? We didn t think so. No, we think you should play right away. Start with simple concepts like holding the bass and plucking a string, then move on to more advanced topics like building your own bass lines, arpeggios, basic theory, and warm-up exercises. In short, this is not your dad s bass method. Pick up that bass, open this book, and PLAY!.
