As Louise says, With a little nudging and direction, everybody can develop their own personal style, no matter their shape, age, or wallet size. In my view, fashion should be aspirational, but attainable and definitely something to have a sense of humour about. It's worth living every single day as the most confident, happy, and glamorous version of yourself. Here's how! *Front Roe* is the perfect distillation of this philosophy. Louise shares stories, information, and ideas from around the world to help women feel educated, uplifted, inspired, and considerably more positive about their mind, body, closet, and home.
