Dover Publications Inc., United States, 2003. Paperback. Book Condition: New. 202 x 130 mm. Language: English . Brand New Book. Considered one of the outstanding Spanish dramas of all time, this 17th-century allegory explores the mysteries of human destiny, the illusory nature of existence, and the struggle between predestination and free will. On the basic plot structure of king s suspicions of his son s role in an impending revolution, the playwright builds a dramatic edifice of theatricality, rich in symbolism and metaphor, expressed in magnificent poetry. This edition presents an excellent new English translation, with an informative introduction and footnotes.
