Could it be that what makes all these mantras and pop books so appealing on a mass scale is the same thing that keeps them from working. They all make sense. But are all the things that make sense TRUE? Dr. Fleming takes you deep within the mind of a psychologist and leadership consultant, letting you in on the secrets of the half-truth-the clever way we convince ourselves we are changing bad habits, leading a company to profitability, or even rising personally to the highest level of thinking about ultimate reality.
