## Thinking Through Analogies

By Bonnie Risby

Sourcebooks, United Kingdom, 2005. Paperback. Book Condition: New. 320 x 208 mm. Language: English . Brand New Book. An analogy is a comparison between two things. It points out the similarities between two things that might be different in all other respects. Analogies cause us to think analytically about forms, uses, structures, and relationships. This all-time favorite resource not only gives students a chance to practice solving analogies, but also invites them to open their minds to a completely new way of analyzing the elements of analogies. Each page introduces several categories of analogies. Each category expands students way of viewing the world and contrasting and comparing elements. Thinking Through Analogies also instills the tools whereby students can create relationships to enhance their creative and formal writing, as well as to heighten their critical thinking in test taking.

### Reviews

*A must buy book if you need to adding benefit. I have go through and that i am sure that i will gonna go through once more yet again down the road. I am just very happy to let you know that this is basically the best book i have got go through inside my own life and can be he very best book for at any time.*

-- **Eldridge Reilly**

*Unquestionably, this is actually the very best work by any article writer. It usually does not price a lot of. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Augustine Pfannerstill**
