This book will transform you through its moving stories about reaching into the world of an Alzheimer s patient, about helping someone die a more peaceful death, and about inspiring a child with a special need to sing and dance. These compassionate stories captivate the human spirit and may bring a tear to your eye. Jennifer s appearance at the entrance to the kitchen would bring instant delight to mom s eyes and a huge beautiful smile to her face. It was the highlight of her week. Jennifer has a way of bringing joy, clarity and awareness back by drawing from the memories she discovers, tirelessly, patiently and with heartfelt kindness and then sharing them again and again and again. I also loved her sessions since mom was such a happy camper by the time she finished! -- Kathleen Sweeney Jenny s therapy touched the lives of each member of our family. She taught my special needs daughter essential developmental skills, helped my father remember some dear memories that were lost, comforted my aging mother and sang at the funerals of all three. Her gift of music brought tears of joy and comfort to all of us. -- Valerie Jones Jennifer s music therapy reached my mom deep down in her soul. We thought we were giving mom a gift, but it turned out to be a gift to all of us! -- Michelle Buchanan.
