Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from *Stories From the Thousand and One Nights, Vol. 16: The Arabian Nights Entertainments* In the two hundred years of their currency in the West, the stories of the Nights have engrafted themselves upon European culture. They have made the fairy-land of the Oriental imagination and the mode of life of the medieval Arab, his manners and his morals, familiar to young and old; and allusions to their incidents and personages are wrought into the language and literature of all the modern civilized peoples. Their mark is found upon music and painting as well as on letters and the common speech, as is witnessed by such diverse results of their inspiration as the music of Rimsky-Korsakoff, the illustrations of Parrish, and the marvelous idealization of their background and atmosphere in Tennyson's *Recollections of the Arabian Nights*, *Barmecide Feast*, *Open Sesame*, *Old Lamps for New*, *Solomon's Seal*, *The Old Man of the Sea*, *The Slave of the Lamp*, *The Valley of Diamonds*, *The Roc's Egg*, *Haroun al-Raschid and his Garden of Delight*, - these and many more phrases and allusions of every-day occurrence suggest how pervasive has been the influence of this wonder-book of the mysterious East. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
