Abstract high Jianfeng book a force for change (crisis era of corporate development of the Road). the theme is change. I abandoned the definition of change. purpose. type. basic steps. the implementation of traditional writing methods. but in two parts one by one to expand: part of the partial theory consists of theory and specific operating; another part of the heavy practice by case analysis. Need of special note here is that the internal and external changes and can not be mechanically distinguish sometimes between several internal and external changes are inextricably linked. For example. huge the Kodak business on the transformation has brought a series of organizational and cultural change. In addition. the forces of change (crisis era of corporate development of the Road) excerpt from a part of the mainstream financial media reported an interview with the author of a comment. Table of Contents Chapter either change or die - the corporate transformation Where is the way first section collapse of why so mad - PRD...
