

Sour: A Book of Bitter Little Love Poems (Paperback)

By Amanda Valerie Judd

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. SOUR is exactly what it claims . . . a book of bitter little love poems - sometimes very bitter. These poems give a brutally honest account of what we endure in the depths of a relationship, and frequently only have the power to rage against once the relationship is over. Although filled with bitterness and anger, in several instances, glimpses of the underlying sadness can still be seen. This book is not for the faint of heart. One reader suggested, You should add a couple of happy love poems, so people don't end up slitting their wrists after SOUR is a most bittersweet read. WARNING: This book contains adult language and adult situations. It is not recommended for children under the age of 18.
