### **Reviews**

*Complete information for publication fans. Better than never, though i am quite late in start reading this one. Its been written in an extremely straightforward way in fact it is just soon after i finished reading this ebook in which basically altered me, change the way i believe.*

*(Ellie Stark)*

## UNDERSTANDING WHY ADDICTS ARE NOT ALL ALIKE RECOGNIZING THE TYPES AND HOW THEIR DIFFERENCES AFFECT INTERVENTION AND TREATMENT

Praeger. Hardcover. Condition: New. 169 pages. Dimensions: 9.4in. x 6.2in. x 0.9in. Professionals in the treatment of substance abuse have long recognized the dismal success rate in addressing this pervasive problem. A fresh view of addiction may offer long-sought answers. Intervention and treatment strategies can be made more effective, maintains veteran addiction educator and psychologist Gary L. Fisher, through identification of addict subtypes. That is the goal of *Understanding Why Addicts Are Not All Alike: Recognizing the Types and How Their Differences Affect Intervention and Treatment*. The book provides an in-depth, research-based analysis of three specific subtypes of substance abusers: addicts who fit the disease model, addicts with antisocial personality disorder, and functional addicts those who lead otherwise successful lives. Particular attention is paid to the latter two groups, which have not been adequately studied previously. Characteristics of the three subtypes are illustrated through case studies that clearly demonstrate how subtype impacts prevention, intervention, and treatment. Most important, the book recommends practical intervention and treatment strategies that will enable concerned parties to identify and help each of these distinct groups. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
