He has been called arguably the single most important artist produced by the cinema, certainly its most extraordinary performer and probably still its most universal icon. For moviegoers, he was simply, Charlie Chaplin, who won their hearts and made them split their sides in laughter when he portrayed the Little Tramp, his most memorable iconic onscreen character in silent films. Chaplin wasnt only the Little Tramp. He was a comic genius whom produced, directed and wrote most of his, even later composing the music for him. He was the total filmmaker. The Charlie Chaplin Movie Poster Book captures the imagination and genius of one of the most important figures of the film industry, presenting, for the first time, more than 50 vintage movie posters in print, all in full color. It represents a period of filmmaking which will never be duplicated. The book is divided into eight sections. The first five are by the studios or distribution companies, in chronological order: Keystone, Essanay, Mutual, First National, United Artists. Then there are British Productions, Foreign Releases and Compilation Films. The Charlie Chaplin Movie Poster Book is a fitting tribute to a true film pioneer, a legend, whose timeless films will never fade, but continue to entertain and inspire audiences for generations to come.
