Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Old Abe, the Eighth Wisconsin War Eagle: A Full Account of His Capture and Enlistment, Exploits in War and Honorable as Well as Useful Career in Peace Ah! that Eagle of Freedom! when cloud upon cloud Swathed the sky of my own native land with a shroud - When lightnings gleamed fiercely and thunderbolts rung, How proud to the tempest those piuions were flung! Though the wild blast of battle swept swiftly the air With darkness and dread, still the Eagle was there. Unquailing and towering, his high flight was on, Till the Rainbow of Peace crowned the victory won. The eagle had been the emblem of nations, courts and warriors for centuries before America was even discovered; so in painting him on our banners and graving him on our shields and coins as heraldic of freedom, fearlessness and power, we but acted the part of imitators. Nevertheless, we can hardly be classed any longer as imitators, for the eagle is now as distinctively our own representative of spirit and valor as the lion is of British bravery and strength, although he is also found on the insignia of other nations. And as the nations of the world now rank, this is well; for as the lion is king of beasts, so the eagle is king of birds.
