Reviews

Absolutely essential go through publication. This can be for all who statte there was not a worthy of looking at. Its been printed in an remarkably basic way and it is just right after i finished reading this book through which in fact altered me, modify the way i think.
(Dr. Haskell Osinski)

Temple University Press,U.S. Paperback / softback. Book Condition: new. BRAND NEW, The Phenomenology of Dance, Maxine Sheets-Johnstone, When "The Phenomenology of Dance" was first published in 1966, Maxine Sheets-Johnstone asked: When we look at a dance, what do we see? Her questions, about the nature of our experience of dance and the nature of dance as a formed and performed art, are still provocative and acutely significant today. Sheets-Johnstone considers dance as an "aesthetic" mode of expression, and integrates theories of dance into philosophical discussions of the nature of movement. Back in print after nearly 20 years, "The Phenomenology of Dance "provides an informed approach to teaching dance and to dance education, appreciation, criticism, and choreography. In addition to the foreword by Merce Cunningham from the original edition, and the preface from the second edition, this fiftieth anniversary edition includes an in-depth introduction that critically and constructively addresses present-day scholarship on movement and dance."
